NEP 2020

MAJOR/MINOR

Students choose a Major and Minor course of study for the first three semesters. Students will get an opportunity to change their Major subject at the end of the third semester. The college offered all subjects as Major and Minor. The student can pursue 3+1 or 4+1 in the Major field of study.

MULTIDISCIPLINARY

Students take one multidisciplinary course that is different from the courses of Major/Minor/10+2 level. This course will be changed per semester for three semesters and students will also be given an opportunity to switch to it as their Major course after three semesters.

SKILL

Students choose from a wide variety of Skill Courses, for which admission is done on the basis of merit. These are employability training courses.

VA/MIL/AEC

As per NEP guidelines students have to choose one Value Added (Digital Technological Solutions, Health and Wellness, Disaster Management) and one Ability Enhancement Course (English/Communication /and One Language Course (Urdu/ Hind/Kashmiri).

Multiple Options

Students choose more than one subject to learn.

Specialise

Students can choose to specialise later in their degree

Multiple Exits

Students can exit at 1st, 2nd or 3rd year and receive Certificate, Diploma and Degree respectively.

Honours & Research

Students completing 4 years receive Honours or Honours with Research Degree

Skill Development

Students get to learn Skill Courses and Internship opportunities to help them achieve employability and promote entrepreneurship.

Academic Bank of Credits

Students get their credits earned in the ABC that enables easy transfer of credits earned and online learning.
